While no prior experience is needed, children should show a commitment to and genuine interest in music, art and drama.

Journey Through the Arts Code of Ethics:

JTTA seeks to provide a nurturing and memorable experience for your children. At JTTA we take great responsibility in ensuring that each child reaches their full potential and have zero tolerance for behavior that may jeopardize the enjoyment and success of others. Failure to comply with the program requirements and guidelines will result in the removal of your child from the program. In these situations no refund will be given.

About our Open Houses:

One of the highlights of a Journey Through the Arts weeks is its Open House. The Open House takes place on the Friday of each week at 2:00pm. Throughout the week students prepare work on several art projects while also producing a short play and musical presentation. Their hard work pays off when they have the opportunity to showcase their talents to friends and family members. These presentations are always fun and entertaining for all, so don't hesitate to drop by and see what we have been up to!
