We are very excited to be entering our 16th summer and have lots of wonderful activities and projects planned. As always, our goal is to help our students, your children, gain an understanding and appreciation of the fine arts and to provide a supportive and creative learning environment.

We would also like to thank all of you who continue to support us, as well as take this time to welcome new participants and families to our programme. We are always so pleased to be able to provide this programme to such a wonderful group of parents and kids.

About our Open Houses:

One of the highlights of a Journey Through the Arts weeks is its Open House. The Open House takes place on the Friday of each week at 2:00pm. Throughout the week students prepare work on several art projects while also producing a short play and musical presentation. Their hard work pays off when they have the opportunity to showcase their talents to friends and family members. These presentations are always fun and entertaining for all, so don't hesitate to drop by and see what we have been up to!
